COLOURS & PROTECTS YOUR WOOD IN ONE SINGLE LAYER

Wood lives.  
Outlives.  
Outlasts.

Even after a tree is felled.

It continues to retract, shrink, swell.

No matter how many rings it counts.

Wood lives...

Only once.

Once for you to read every grain and fibre.

Once to cherish its knots and twists.

Once to feel the warmth of the wood.

Only once, that's fragile.

That's why we believe wood deserves the best protection.

Wood deserves the power of Rubio Monocoat.

The power of one application.

One time,

to save time.

So you gain time.

One time,

to give back.

Back to Mother Nature.

One time,

to get the perfect touch.

For your touch of creativity.

That's why Rubio Monocoat is the one.

The one for your wooden creations.

The one for you.

Rubio Monocoat.  
The Power of One.

A photograph of a wooden workshop. In the center, a large, dark-stained wooden block is placed on a workbench. The block is shaped like a stylized letter 'R' or a similar geometric form. The workbench is made of dark wood and has a thick, light-colored wooden top. In the background, there are various wooden planks and beams hanging on the wall, and some machinery is visible. The lighting is warm and focused on the wooden block.
