MONOCOAT
THE POWER OF ONE

SheenPlus

For an oiled look with extra sheen

- ✓ Adds extra sheen
- ✓ Efficient application
- ✓ Easy to maintain
- ✓ 1-layer sheen system
- ✓ Ecological alternative for varnish

SheenPlus is a 0% VOC wood finish that provides a **durable satin look** to wooden surfaces that have been treated with Oil Plus 2C. This product may be applied by hand or with a polishing machine on all indoor wood surfaces, including furniture, countertops, tables, stairs, walls, floors, etc. The combination of the SheenPlus oil (A) and Accelerator (B) ensures a fast cure time, resulting in excellent protection. Plus, it's solvent and water-free, making it safe for you and the environment.

SheenPlus must always be used in combination with our **Oil Plus 2C**.

**Colours & protects your wood
in one single layer**

Oil Plus 2C

- ✓ Strong molecular binding: colours & protects all interior wood in 1 layer
- ✓ Safe & ecological: 0% VOC
- ✓ Time & cost efficient
- ✓ Enhances the natural look & feel for all wood types
- ✓ Easy application and maintenance
